***FAMILY COMMITMENT**

Once a family has committed student(s) to attend VCS, tuition and fees are required, even if they withdraw from the school. The tuition is non-refundable and must be paid in full per the payment schedule as outlined and despite a student’s withdrawal or expulsion from VCS. Although the tuition may be paid in installments, this does not constitute a fractional contract. The enrollment agreement is for the full school year, and the obligation to pay for the entire school year is unconditional without reduction or remission.
